KINMIYA Shochu 12/720ml

ALC.Vol.25%

New way of enjoying SHOCHU!!

1

Pour "KINMIYA Shochu" into the container about 80% full, and put it into the freezer. (about 24 hours)

2

After frozen, use a spoon to loosen it up. (It may get hard if commercial freezer is used.)

3

Take a glass or a ladle to scoop, and pour it into serving glass.

4

Add mixer. Mixer is better added if its cold to maintain the texture of "sorbet"
